

Tartar Talk

By JUDY POWELL

Last Saturday a Science Day was held at the University of Redlands to develop the interest in science and teaching science among high school students. During the day the students had a chance to talk with some of the science professors and to join in on some experiments. Along with Tony Gallo 23 Tartars went. Some of them were Pat Klen, Shirley Reed, Kathy Curtis, De Ann Groves, Bob Lietner, Gerald Bloomfield, Dennis Moss, Fred Wareing, Patty Blakley, Dana Cecil, Mary Borkovich, Gale Lightfoot, and Judy Slater. All students attending had a chance to write an essay on "Why I Choose Science as a Career." Judy Slater entered a very fine essay.

The Marquettes have also elected new officers, Marleen Swenson has been given the presidency, Jerry Rusk, first vice-presidency, Bev Oaks, second vice-president; Joan Jerigan, secretary; Carlene Sandstrom, treasurer, and Karen Hester, chaplain.

New officers of the Girls League cabinet were installed at the installation and call last week. The new officers lit a candle, symbolizing their office, from that of the old officer. After all the new officers were installed, Peggy Wood, new Girls' League president, presented a gift to the outgoing president, Dee Gibson. The gift was a very beautiful compact. Between the afternoon and the morning a. d. calls the old and the new cabinet went to the traditional installation dinner, at the Fish Shanty. The dinner was so good that everyone looked a little stuffed at the afternoon a. d. call.

Two important sports events are coming up. First is the first track meet. This will be held on Thursday, Feb. 24, at El Rancho. Participating in the meet will be El Rancho, Monrovia, and Torrance. Also there is the first practice game for the tennis teams with Hawthorne.

Big Bear was really invaded by the Tartars this past weekend, which can be plainly seen from the stiff-legged, red-faced enthusiasts walking a round campus. The Tri-Hi-Y and Hi-Y were both there. These lucky Tartars enjoyed skiing, tobogganing, and a real great party Saturday night. All in all they had a wonderful time and hope to return.

Al Legus is the new president of the Thespians, the drama club at Torrance High School. Jim Hoffman is the vice-president, Toni Forella, secretary, and treasurer is Ollie Lesson. These officers have a big job on their hands with the one act plays coming up, but it is sure that they will do a good job.

The annual senior play will be held tomorrow night. This is something that no loyal Tartar should miss. This year, from what I hear, will be one of the best senior plays given so far. Jan Desmond and Steve Peters are taking the lead. So everyone be sure to see this play and bring your friends and relatives along, for they will really enjoy it.
